

# THE PRIME TIMES

## From Lori & The Center Staff...

I would like to take this opportunity to thank Executive Chef, Christopher Mest for stepping in as the Interim Center Director to assure that The Center continued to run without missing a beat!

I would also like to thank Melanie Wolf, Assistant Center Director, Nicole Clark, Program Coordinator, Karen Parks, Prep Chef, and Karen Kulp, Center Receptionist for going above and beyond to do what needed to be done to keep The Center operating smoothly!

Thank all of YOU for your warm "welcome home" through your kind words, cards, texts and flowers. I am truly grateful for the opportunity to return to The Center and work together with all of you to make The Center at Spring Street the best ever!

Did you know The Center is now offering Meditation on Thursdays from 7 to 7:30 p.m. The popularity of meditation is increasing as more people discover its benefits. Meditation is a habitual process of training your mind to focus and redirect your thoughts. It can increase awareness of yourself and your surroundings. Many people think of it as a way to reduce stress and develop concentration.

Join us as Fran Wieckowski, Meditation Instructor, coaches you on how to practice calming and focusing your mind and body through the use of various techniques such as physical posture and focused breathing. Meditation is something everyone can do to improve their mental and emotional health.

Karl Hausman will be filling The Center with patriotic piano music at The Center's Independence Day Celebration on Tuesday, July 2<sup>nd</sup> at 1 p.m. Karl is a versatile pianist who has entertained at Disney World, Hershey Park and Showboat Casino, just to name a few. He was once billed as "The Main Street Pianist at Magic Kingdom". It is as much fun to watch Karl play as it is to listen! Don't miss his performance.
