

THE PRIME TIMES

From The Center Staff...

The time has arrived for beautiful May flowers and warm sunshine. The days seem brighter. The birds sing a little louder. The plants, trees, and flowers are in bloom. The change in the weather has been wonderful!

We would also like to share changes here at Boyertown Area Multi-Service and The Center at Spring Street.

Lydia Messinger has been promoted to the position of Executive Director for Boyertown Area Multi-Service. Lydia has served Multi-Service as Director of Development and Public Relations over the past year. Congratulations Lydia!

As most of you know, former Center at Spring Street Director Lori Bernhard has moved on to the next opportunity that life has offered her. We wish her all the best with her new endeavor!

We want to acknowledge Lori's two decades of tireless service to Boyertown Area Multi-Service, The Center at Spring Street, and our community. Lori had served as the Center Director for The Center at Spring Street for the last several years. The Center would not be what it is today without her hard work and dedication.

Thank you Lori!!

The search will begin soon for a replacement for Lori. In the meantime, Chris Mest, our Executive Chef, has been named Interim Center Director for The Center at Spring Street. Thank you Chris for stepping up and taking on additional responsibilities to help The Center through this transition.

We hope to see all of you at the Center!!
