

*This year, as an add on to our Christmas Giving Program, we will be holding a new event called Santa's Secret Shop offered to the children of Multi-Service clients. This event will allow children to 'shop' for and wrap a special gift for their parent(s) or guardian(s). This will show the child the gift of giving and allow them to provide something special to their loved one on Christmas day. There is no charge for this event. If you are interested in providing adult items that children can give to their parents please let us know.*

Boyertown Area Multi-Service holds an annual Christmas giving program that benefits children in the community. This year, we would like to expand this 'season of giving' to also include special gift items for their parents.

Our Secret Santa Shop will be open for children to 'shop' for a special gift to give to their parents. We will host a free event with crafts, games and will have some of Santa's helpers here to help wrap their selections.

Your donation will help our event be a success and allow a child to learn the gift and spirit of giving to others!
