Helping People, Strengthening Communities

Dear Friends of Multi-Service,

We truly cannot say thank you enough for your past support of our Christmas Giving Program.

Last year, 290 children from 141 families in the Boyertown area experienced a wonderful Christmas because of the generosity of sponsors like you!

Please know that your sponsorship is helping families that are most in-need of help this Christmas. A process is in place to verify that the families who receive support are experiencing hardship. We are also verifying that families are not receiving support from multiple agencies, preserving the generosity of our donors.

The Christmas Giving Program helps families in-need in our community, allowing them to enjoy holiday cheer and the spirit of Christmas. Thank you for supporting such a meaningful program.

Can we count on your support again this year? If you would like to sponsor a family or multiple families, please submit the form below by mail or email, to our office **by November 1, 2018**. You will hear back from us by November 15, 2018 with details about the family/families you are sponsoring.
